Dear Richard,

Enclosed are copies of the Civil War era letters that were written in reference to Francis Marion and Samuel Dewees Hutchinson. I got them from Sue Boggs, a descendant of William Hutchinson. Sue lives in Florida. I thought that these letters would interest you as much as they did me. I have also been in touch with another Hutchinson cousin, Roger Balmer. He is the great-great-grandson of Christian Balmer and Sarah Hutchinson Balmer. Sarah wrote one of the letters that I have sent you. Roger has also filled me in on the genealogy of the Balmers. Apparently Christian and Sarah were some of the first pioneers in Aledo, Illinois.

I am also sending you original copies of the Winfield and Mary Albina Hutchinson photo album. I have numbered the photos so that we can communicate about them, and we both will know which one we are talking about. Jackie Blalock had professional copies made for us at a printer. She wanted me to wait to send them to you until I could correlate picture numbers with all of us. We have successfully Identified some of the photos. Others we are hoping that you can identify. Some of the pictures might be Meads. I will label the ones that I know. The Soash family picture is better than the one that I sent you. Please let me know if any of the pictures are familiar to you.

Sincerely,

Margaret Hutchinson
